2. I am authorized to submit and I make this declaration (“Declaration”) on behalf of the Debtors pursuant to Rule 1007-2 of the Local Rules (the “Local Rules”) for the United States Bankruptcy Court for the Southern District of New York (the “Bankruptcy Court”) in support of the voluntary petitions (the “Bankruptcy Petitions”) filed by each of the Debtors under chapter 11 of title 11 of the United States Code (the “Bankruptcy Code”) commencing these chapter 11 cases (the “Chapter 11 Cases”) and in support of each of the emergency motions, motions, applications and requests for relief filed concurrently herewith (collectively, the “First Day Pleadings”).

3. Except as otherwise noted herein, I have personal knowledge of the facts presented in this Declaration, or have reviewed the Debtors’ books, records and information referred to herein that were prepared and maintained by the advisors and employees engaged by GREa and GEP or the Debtors at my direction.

4. I have reviewed the First Day Pleadings and reviewed the relief requested therein and I believe that the relief requested is necessary to minimize the effects on the

20. Located on West 38th Street between Fifth and Sixth Avenues, the Site is situated on “Boutique Row” in Midtown Manhattan, the largest central business district in the United States and home to some of New York’s most visited attractions. New York’s most recognized skyscrapers lie within Midtown Manhattan’s borders, including the Empire State Building, the Chrysler Building, and the United Nations Headquarters. The Hotel is also steps away from New York’s most popular demand generators including Bryant Park, Grand Central Station, Times Square, Rockefeller Center, 5th Avenue Shopping, Penn Station and Madison Square Garden.

C. Management of the Debtors' Businesses

21. The Debtors' hotels and the Bryant Park Development are managed under contract with Gemini Property Management, LLC a Delaware limited liability company which sub-contracted the management of the Wyndham Flatiron Hotel and the Jade Greenwich Village Hotel to Bridgeton Hotel Management, LLC (the "Hotel Manager") pursuant to contract(s) dated as of January 26, 2015 (the "Hotel Management Contract"). The Hotel Manager is also assisting with the management of the Best Western Seaport Hotel.

22. Pursuant to the Hotel Management Contract, the Hotel Manager's responsibilities include:

- a. Supervision and management of all marketing, inventory and supplies;

m. Collect on behalf of Owner and account for and remit to governmental authorities all applicable excise, sales, and use taxes or similar governmental charges collected by the Hotel directly from patrons or guests, or as part of the sales price of any goods, services, or displays, such as gross receipts, admission, or similar or equivalent taxes; and

n. Oversee the parking operations at the Hotel, and, if such parking operations are managed by a third party operator, exercise Owner's supervisory rights held by Owner under the agreement with such operator.

23. The Hotel Manager's key personnel are: Bill Stelma (Managing Director – Chief Accounting Officer); Dante A. Massaro (President & CEO); Christopher La Mack (Vice President).

D. Events Precipitating the Chapter 11 Filings

24. In or about April 2003, Massaro, La Mack and Obeid formed GREA to invest in commercial real estate projects.

25. The Debtors were established to facilitate investment in hotel properties through a group of corporate groups that are, in whole or in part, managed by Gemini Real Estate Advisors, LLC and/or Gemini Equity Partners, LLC, both Delaware limited liability companies that are owned in equal parts by Massaro, La Mack and Obeid.

26. In 2014, disputes arose between Massaro, La Mack and Obeid related to Obeid's management of the business affairs of GREA. On July 1, 2014, at a meeting of the members of GREA, La Mack and Massaro voted to remove Obeid as the President of GREA. Thereafter, La Mack and Massaro filed litigation against Obeid in the North Carolina State Court, Mecklenburg County (Case No. 14-CVS-12010) (the "North Carolina Action"), seeking damages for breach of fiduciary duties to GREA and seeking injunctive relief to prevent Obeid's continued interference with GREA's business.

27. After the North Carolina Action was filed, Obeid continued to interfere with GREA's business operations through, among other things, communications with GREA's employees, lenders and business relationships.

28. On August 14, 2014, Obeid filed a retaliatory lawsuit against La Mack and Massaro in federal court in New York in a further attempt to disrupt GREA's business (the "New York Action"). Thereafter, Obeid sought a TRO (which has been denied) to halt the sale and liquidation of certain of GREA's subsidiary's holdings.

29. In connection with the New York Action, Obeid filed notices of *Lis Pendens* in the chain of title for all four Debtors (collectively, the "*Lis Pendens*").

30. The dispute among Obeid, La Mack and Massaro has not significantly affected the day-to-day operation of the Debtors' hotels, which are independently operated under contracts with the Hotel Manager. However, the *Lis Pendens* and the ongoing lawsuits have made it impossible to meet the closing conditions and deliver free and clear title to any of the proposed purchasers for the Hotels.

31. Massaro and La Mack are concerned that the value of the Hotels and a transaction could continue to deteriorate if the transactions are put on hold until the litigation can be concluded. The Bryant Park Development Site is especially susceptible to continued delay in liquidation because it has no operating revenues. All attempts to reasonably settle the litigation have been unsuccessful.

32. Accordingly, the Debtors are liquidating their assets through these Bankruptcy Cases to protect the interests of creditors and stakeholders by maximizing the value that can be achieved through a sale.

33. Concurrently with the filing of the Debtors' Chapter 11 Cases, the Debtors filed a motion seeking to set procedures for confirming a proposed chapter 11 plan of reorganization (the "Plan") and will immediately thereafter file motions to set procedures to conduct auctions in connection with the Plan that will permit the Debtors to sell their assets free and clear of liens, claims, encumbrances and interests (the "Sale Procedures Motions").

34. The Debtors expect to consummate sales through the chapter 11 process, confirm a Plan of reorganization and distribute proceeds to creditors and interest holders as expeditiously as possible.

35. The Debtors will file applications seeking to retain Robins Kaplan LLP ("RK") as its counsel and Robert Douglas as a Real Estate Advisor (the "Real Estate Advisor") to assist with the sales.

II. RELEVANT BACKGROUND INFORMATION RELATED TO SPECIFIC MOTIONS FOR RELIEF

A. JOINT ADMINISTRATION

36. I, Obeid and Massaro each own 33.3% of the membership interests of both GREA and GEP, which entities may act by majority vote of the members. La Mack, Obeid and Massaro, through GREA and GEP, indirectly control the voting securities of each of the Debtors.

37. While the Debtors will continue to operate as separate and distinct entities during the pendency of the Chapter 11 Cases, the Debtors share many common

creditors and business relationships, such as contractual relationships, with third parties.

38. I am not seeking any action that would constitute substantive consolidation of their Estates, but rather seek entry of an order directing joint administration of their Chapter 11 Cases for procedural purposes only. I believe that entry of an order directing joint administration of the Chapter 11 Cases substantially will reduce the administrative costs of the Chapter 11 Cases, ease the administrative burden on the Court and the parties, simplify the United States Trustee for the Southern District of New York's (the "U.S. Trustee") supervision of the administrative aspects of these cases and have no adverse effect on creditors because it requests only administrative, and not substantive, consolidation of the Estates. Accordingly, I believe joint administration is in the best interest of the Estates.

B. EMPLOYEE PRIORITY WAGES

1. Best Western Seaport Hotel

39. The Debtor employs approximately 20 employees (the "Employees"), of whom approximately 18 are full-time salaried Employees and approximately 2 are part-time Employees. The Employees perform a variety of critical functions, including managing the operations of the Debtor's facilities, maintenance, housekeeping, reception, and food service, as well as performing many administrative, accounting, supervisory, audit, consultant, management and other tasks. The Employees' skills, knowledge and understanding of the Debtor's infrastructure, operations and client

relations are essential to maintaining the value of the Debtor's assets and business pending a sale transaction.

40. Employees are paid every Friday, covering wages earned the prior week (Monday through Sunday). For instance, the wages paid on August 28, 2015 covered the period Monday, August 17, 2015 through Sunday, August 23, 2015. The Debtor's next scheduled payroll is September 11th, covering Monday, August 31, 2015 through Sunday, September 6, 2105.

41. For the first 7 months of 2015, the Debtor's average aggregate monthly payroll was approximately \$49,398.05, and average aggregate monthly payroll tax was approximately \$13,900 ("Employee Wages"). The Debtor pays quarterly performance bonuses to the Manager of the Hotel equal to up to ten percent of the Manager's quarterly salary if certain profitability, productivity and other benchmarks are achieved. The Debtor also reimburses eligible employees for certain out-of-pocket business expenses incurred in the ordinary course of business, such as minor travel, meals, entertainment, marketing and other business expenses.

42. In the ordinary course of business, and as is customary with most companies, the Debtor offers a benefits package to some or all of its employees (the "Employee Benefits"), including (1) policies for vacation and sick pay, (2) workers' compensation benefits, (3) New York disability coverage insurance, (4) Union Negotiated Health Benefits for all "line employees" (all employees other than one manager and two department heads), and (5) health care and dental insurance for which the Debtor pays 50% and 25% of the premiums, respectively for a manager and

an executive. The Debtor maintains a workers' compensation and employers' liability insurance policy with Travelers Indemnity Company ("Workers' Compensation Policy"). The Debtor maintains a disability coverage insurance policy with The Hartford Insurance Company ("Disability Coverage Policy"). The combined monthly cost of the Employee Benefits to the Debtor is approximately \$9,900 per month.

43. As of the Petition Date, the Debtor owes approximately \$34,767.12 in unpaid Employee Wages and Employee Benefits, including approximately \$6,914.67 in wages, \$885.08 in employer payroll taxes and workers' compensation costs and \$26,082.29 in accrued vacation and sick days. As of the Petition Date, no single non-insider Employee is owed Employee Wages and Employee Benefits in an amount in excess of \$12,475.

44. To minimize the personal hardship that the Employees will suffer if prepetition employee-related obligations are not paid when due or as expected, and to maintain morale and preserve its essential workforce during this critical time, the Debtor seeks authority, in its discretion, to pay and honor certain prepetition claims for the Employee Wages and Employee Benefits, and to pay all fees and costs incident to the foregoing as such amounts become due and payable, including amounts to third party administrators.

45. None of the Employees owed wages are insiders of the Debtor.

46. If the Debtor is unable to honor Employee Wages and pay or continue, as applicable, Employee Benefits for even a short time, Employee morale and loyalty will be compromised at a time when Employee support is most critical. It is likely that any

deterioration in Employee morale and welfare during this critical time would adversely impact the Debtor, the value of its assets and business, and ultimately its ability to maximize value for creditors and stakeholders. Therefore, the Debtor believes that payment of the prepetition amounts of Employee Wages and Benefits requested in the Motion and the continuation of the Employee Wages and Benefits on a post-petition basis is in the best interest of all interested parties.

2. Jade Greenwich Village Hotel

47. The Debtor employs approximately 74 employees (the “**Employees**”), of whom approximately 66 are full-time salaried Employees and approximately 8 are part-time Employees. The Employees perform a variety of critical functions, including managing the operations of the Debtor’s facilities, maintenance, housekeeping, reception, and food service, etc, as well as performing many administrative, accounting, supervisory, audit, consultant, management and other tasks. The Employees’ skills, knowledge and understanding of the Debtor’s infrastructure, operations and client relations are essential to maintaining the value of the Debtor’s assets and business pending a sale transaction.

48. Employees are paid every Friday, covering wages earned the prior week (Monday through Sunday). For instance, the wages paid on August 28, 2015 covered the period Monday, August 17, 2015 through Sunday, August 23, 2015. The Debtor’s next scheduled payroll is September 11th, covering Monday, August 31, 2015 through Sunday, September 6, 2105.

49. For the first 7 months of 2015, the Debtor's average aggregate monthly payroll was approximately \$236,172.01, and average aggregate monthly payroll tax was approximately \$93,000.00 ("Employee Wages"). If certain profitability, productivity and other benchmarks are achieved, the Debtor pays quarterly or monthly performance bonuses to eight employees based on a percentage of the employee's earned base salary or a preset fixed amount. The Debtor also reimburses eligible employees for certain out-of-pocket business expenses incurred in the ordinary course of business, such as minor travel, meals and entertainment and marketing and other business expenses.

50. In the ordinary course of business, and as is customary with most companies, the Debtor offers a benefits package to some or all of its employees (the "Employee Benefits"), including (1) policies for vacation and sick pay, (2) workers' compensation benefits, (3) New York disability coverage insurance, and (4) health care and dental insurance for which the Debtor pays 50% and 25% of the premiums, respectively for eight managers and senior employees. The Debtor maintains a workers' compensation and employers' liability insurance policy with Travelers Indemnity Company ("Workers' Compensation Policy"). The Debtor maintains a disability coverage insurance policy with The Hartford Insurance Company ("Disability Coverage Policy"). The combined monthly cost of the Employee Benefits to the Debtor is approximately \$4,400 per month.

51. As of the Petition Date, the Debtor owes approximately \$94,343.79 in unpaid Employee Wages and Employee Benefits, including approximately \$28,478.42 in wages, \$3,645.24 in employer payroll taxes and workers' compensation costs and

\$58,604.89 in accrued vacation and sick days. As of the Petition Date, no single non-insider Employee is owed Employee Wages and Employee Benefits in an amount in excess of \$12,475. To minimize the personal hardship that the Employees will suffer if prepetition employee-related obligations are not paid when due or as expected, and to maintain morale and preserve its essential workforce during this critical time, the Debtor seeks authority, in its discretion, to pay and honor certain prepetition claims for the Employee Wages and Employee Benefits, and to pay all fees and costs incident to the foregoing as such amounts become due and payable, including amounts to third party administrators.

52. None of the Employees owed wages are insiders of the Debtor.

53. If the Debtor is unable to honor Employee Wages and pay or continue, as applicable, Employee Benefits for even a short time, Employee morale and loyalty will be compromised at a time when Employee support is most critical. It is likely that any deterioration in Employee morale and welfare during this critical time would adversely impact the Debtor, the value of its assets and business, and ultimately its ability to maximize value for creditors and stakeholders. Therefore, the Debtor believes that payment of the prepetition amounts of Employee Wages and Benefits requested in the Motion and the continuation of the Employee Wages and Benefits on a post-petition basis is in the best interest of all interested parties.

3. Wyndham Flatiron Hotel

54. The Debtor employs approximately 21 employees (the “Employees”), of whom approximately 20 are full-time salaried Employees and approximately 1 part-

time Employee. The Employees perform a variety of critical functions, including managing the operations of the Debtor's facilities, maintenance, housekeeping, reception, and food service, etc, as well as performing many administrative, accounting, supervisory, audit, consultant, management and other tasks. The Employees' skills, knowledge and understanding of the Debtor's infrastructure, operations and client relations are essential to maintaining the value of the Debtor's assets and business pending a sale transaction.

55. Employees are paid every other Friday, covering wages earned the prior two weeks (Monday through Sunday). For instance, the wages paid on August 21, 2015 cover the period Monday, August 3, 2015 through Sunday, August 16, 2015. The Debtor's next scheduled payroll is September 18, 2015, covering Monday, August 31, 2015 through Sunday, August 13, 2105.

56. For the first 7 months of 2015, the Debtor's average aggregate monthly payroll was approximately \$101,611.55, and average aggregate monthly payroll tax was approximately \$53,000.00 ("Employee Wages"). The Debtor also pays quarterly performance bonuses to the General Manager, the Assistant General Manager and the Front Office Manager of the Hotel equal to up to 20%, 14% and 14% of respectively their earned base salary if certain profitability, productivity and other benchmarks are achieved. The Debtor also reimburses eligible employees for certain out-of-pocket business expenses incurred in the ordinary course of business, such as minor travel, meals and entertainment, marketing and other business expenses.

57. In the ordinary course of business, and as is customary with most companies, the Debtor offers a benefits package to some or all of its employees (the “Employee Benefits”), including (1) policies for vacation and sick pay, (2) workers’ compensation benefits, (3) New York disability coverage insurance, and (4) health care and dental insurance for which the Debtor pays 50% and 25% of the premiums, respectively for five managers and senior employees. The combined monthly cost of the Employee Benefits to the Debtor is approximately \$2,800 per month.

58. As of the Petition Date, the Debtor owes approximately \$47,372.54 in unpaid Employee Wages and Employee Benefits, including approximately \$10,828.35 in wages, \$1,386.03 in employer payroll taxes and workers’ compensation costs and \$33,772.14 in accrued vacation and sick days. As of the Petition Date, no single non-insider Employee is owed Employee Wages and Employee Benefits in an amount in excess of \$12,475.

59. To minimize the personal hardship that the Employees will suffer if prepetition employee-related obligations are not paid when due or as expected, and to maintain morale and preserve its essential workforce during this critical time, the Debtor seeks authority, in its discretion, to pay and honor certain prepetition claims for the Employee Wages and Employee Benefits, and to pay all fees and costs incident to

the foregoing as such amounts become due and payable, including amounts to third party administrators.

60. None of the Employees owed wages are insiders of the Debtor.

61. If the Debtor is unable to honor Employee Wages and continue Employee Benefits for even a short time, Employee morale and loyalty will be compromised at a time when Employee support is most critical. It is likely that any deterioration in Employee morale and welfare during this critical time would adversely impact the Debtor, the value of its assets and business, and ultimately its ability to maximize value for creditors and stakeholders. Therefore, the Debtor believes that payment of the prepetition amounts of Employee Wages and Benefits requested in the Motion and the continuation of the Employee Wages and Benefits on a post-petition basis is in the best interest of all interested parties.

C. ADEQUATE ASSURANCE OF UTILITIES

62. In connection with the daily operations at the Debtors' hotel facilities, the Debtors uses electricity, water, gas, sewer, telephone and telecommunication, waste removal, and other utility services as follows: (i) Best Western Seaport Hotel uses approximately four utility companies through roughly four different accounts and incurs an average of approximately \$19,300 in utility fees and charges per month in the aggregate; (ii) Jade Greenwich Village Hotel uses approximately five utility companies through roughly eight different accounts and incurs an average of approximately \$31,000 in utility fees and charges per month in the aggregate; and (iii) Wyndham Flatiron Hotel uses approximately five utility companies through roughly eight

different accounts and incurs an average of approximately \$27,400 in utility fees and charges per month in the aggregate.

63. True and correct lists of the companies that provide utility services (the “Utilities”) to each of the Debtors are attached to the motion of each Debtor seeking to establish procedures to resolve any disputes regarding adequate assurance of the future payment of Utilities as Exhibit A² thereto.

64. Uninterrupted utility services are essential to the Debtors’ ongoing operations. The Debtor expects that some or all of the Utilities may alter, refuse, or discontinue service if adequate assurance of payment for post-petition services is not provided to such Utilities. The Debtors want to establish reasonable procedures to allow the Court to determine whether such adequate assurances have been provided to the Utilities to ensure that no delays occur in resolving any disputes that may arise and that there will be no interruption in post-petition utility services that could adversely affect the Debtors’ ability to operate their business. Therefore, the requested relief is essential to the Debtors’ efforts.

D. MAINTAIN BANK ACCOUNTS AND FORMS

65. The Debtors’ business and financial affairs require the collection, disbursement and movement of funds through numerous bank accounts.

² The Debtor reserves the right to argue that some or all of the services provided by any listed Utility do not constitute “utility” services under section 366 of the Bankruptcy Code and such Utility is not entitled to adequate assurance with respect to such services.

66. The Debtors' cash management system (the "**Cash Management System**") consists of numerous accounts and is funded by receipts from the Debtors' business operations.

67. On and before the Petition Date, in the ordinary course of the Debtors' business, the Debtors maintained the following bank accounts (collectively, the "**Bank Accounts**"):

<u>Number</u>	<u>Debtor</u>	<u>Bank</u>	<u>Account #</u>	<u>Account Description</u>
1	33 Peck Slip Acquisition LLC	Bank of America	XXXXXXXXX8612	Checking Account- credit card receipts are deposited directly and all disbursements, including payroll come from this account.
2	52 West 13 th P, LLC	City National Bank	XXXXXX4470	Depository Account- credit card, cash and check deposits come into this account.
3	52 West 13 th P, LLC	City National Bank	XXXXXX1361	Operating Account - all disbursements are made from this account, including payroll.
4	37 West 24 th Street MT, LLC	Wells Fargo	XXXXXX8504	Depository Account - credit card receipts come into this account.
5	37 West 24 th Street MT LLC	Bank of America	XXXXXXXXXXX0624	Depository and Sweep Account - this account holds all of the entities funds and automatically funds the "Operating Account" each day. There are some credit card receipts direct to this account.

<u>Number</u>	<u>Debtor</u>	<u>Bank</u>	<u>Account #</u>	<u>Account Description</u>
6	37 West 24 th Street MT LLC	Bank of America	XXXXXXXXXX0611	Operating Account- all disbursements, including payroll, go through this account, which is funded daily by the Depository Account.

68. Of the accounts listed in the chart immediately above, numbers 1, 2, 4 and 5 are set up to receive credit card payments and deposits on a daily basis. Closing these accounts would, at a minimum, create the risk of significant delay in receiving payments from customers and would unduly restrict the Debtors' cash flows at a critical time.

69. Of the accounts listed in the chart immediately above, numbers 1, 3 and 6 are used to, among other things, fund payroll checks. Because employees do not always cash their checks upon receipt, closing these accounts could cause hardship for those employees that have not cashed all of their payroll checks on a regular basis.

70. The Debtors' businesses are dependent upon the regular stream of payments from customers, either by check or credit card; thus closing the Debtors' Bank Accounts could seriously damage the Debtors' cash position. By allowing the Debtors to maintain the Bank Accounts solely to collect automatic deposits from credit cards and checks, all parties in interest, including employees, creditors, and the Estates, will benefit and the Debtors' rehabilitative efforts will be promoted.

71. The Debtors will continue to maintain records with respect to transfers of cash, so that transactions can be ascertained, traced and recorded properly on applicable intercompany accounts.

72. The Debtors represent that, to the best of their ability, no prepetition checks will be honored, unless authorized by separate order of the Court. Except as otherwise ordered by this Court, the Banks listed above will be advised by the Debtors not to honor checks issued prior to the Petition Date on any of the Accounts.

73. The Debtors will establish new debtor in possession accounts and will transfer all funds received to those accounts from the existing accounts on a daily basis and will utilize those accounts to pay all of their ordinary operating and other approved expenses.

74. Given the Debtors' business and their reliance on credit card receipts, it would be difficult for the Debtors to establish an entirely new system of accounts and a new cash management system for each debtor entity.

75. Under these circumstances, maintaining the Debtors' current accounts solely for the purpose of receiving credit card deposits and, if approved by the Court (as requested by other Motions), honoring employee payroll checks, is essential and in the best interests of the Debtors' respective Estates and creditors. Furthermore, preserving the "business as usual" atmosphere and avoiding the unnecessary distractions that would inevitably be associated with any substantial disruption in the Debtors' cash flow will facilitate the Debtors' efforts in these cases.

76. The Debtors represent that, to the best of their ability, no prepetition checks will be honored, unless authorized by separate order of the Court. To further protect against the possible inadvertent payment of prepetition claims, and except as otherwise ordered by this Court, the Banks will be advised by the Debtors not to honor checks issued prior to the Petition Date on any of the Bank Accounts. The Debtors' personnel shall continue to maintain strict records with respect to all transfers of cash so that they may readily account for all transfers and payments.

77. It will be burdensome to the Debtors' Estates, as well as expensive and disruptive to the Debtors' business operations, if the Debtors are not permitted to continue using their existing business forms, such as daily hotel contracts, without alteration or change.

78. Unless the Debtors are permitted to maintain and utilize the existing contracts and business forms, the Debtors and their Estates would be prejudiced, in that the Debtors' Estates would incur unnecessary and substantial cost associated with printing new contracts and business forms.

E. CASH COLLATERAL

79. The Debtor has prepared a six-month Budget consistent with its operating history, current market conditions and its projected future performance during the period covered by the Budget. 84. As the owner of a guest-filled hotel whose operation is dependent on cash flow, the Debtor must continue to operate the Hotel to maintain and preserve the Debtor's value and the Lender's Collateral. The Debtor urgently requires the use of the Lender's cash collateral to operate, maintain and preserve the Hotel pending its sale and the effectiveness of the Plan. As set forth in the Budget, the Debtor requires cash for the primary purposes of paying: (1) employees and related benefits, (2) supplies, (3) utilities, (4) taxes, (5) commissions and sales expenses and (6) to the extent allowed by the Bankruptcy Court, professional fees.

86. The Debtor has prepared a six-month Budget consistent with its operating history, current market conditions and its projected future performance during the period covered by the Budget. 88. Concurrently with the filing of the Debtor's Chapter 11 Case and the filing of the Motion, the Debtor filed a proposed chapter 11 plan of reorganization (the

“Plan”) and will file a related motion for an order authorizing the Debtor to sell the Hotel free and clear of liens, claims, encumbrances and interests (the “Jade Greenwich Sale Motion”). Pursuant to the Sale Motion and Plan, the Debtor seeks an order authorizing the Debtor to sell the Hotel for \$78 million, to pay the Lender and all other creditors in full and to make distributions to the Debtor’s equity interest holders. The proposed sale to the stalking horse bidder for \$78 million is subject to overbids.

89. Prior to the commencement of the Debtor’s Chapter 11 Case, the Debtor informed the Lender about the contemplated chapter 11 filing and the Debtor’s intention to seek to sell the Hotel in connection with a chapter 11 plan.
